Each program is licensed for one classroom.

Please use integrity and refrain from sharing.

Instead share my website and email.

Both programs are packaged digitally in PDF, PowerPoint, MP4s.

	Price	Quantity	Total
A Strategic Approach to Addition Fact Fluency	\$100		
Subtraction—A Better Way of Thinking	\$100		
Program Training- $\frac{1}{2}$ day training free with 5 licenses/program $\frac{1}{2}$ day training (3 hours) \$300 1 whole day \$500			

Training Day

- Teachers become acquainted with the digital structure of the program.
- Teachers learn activities that complement math concept development and number sense.
- Teachers explore the current fluency research on which the program is built.
- Teachers see how to use the program assessments to monitor, encourage and track student fluency progress.
